

**VILLAGE OF MILL NECK  
IMPROVEMENTS OF  
FACTORY POND ROAD  
Monday, November 16, 2020**

The road was paved on Saturday and striped today. The contractor was installing asphalt curbing on sections of the road which will continue tomorrow. They are also cutting in the driveways and private roads along the road. We expect the work to be completed this week.

The road will be open at night and the schedule is of course dependent on the weather. We are sorry for any inconvenience to those who regularly travel this road. Please visit our website for updates and progress reports on this work.

**PLEASE CHECK OUR WEBSITE FOR UPDATES [www.millneckvillage.com](http://www.millneckvillage.com)**

**Any questions please contact the Village Office at 516-922-6722**
